

Workshop contact sheet

Practice searching text and covering an image-only detail.

SESSION COORDINATOR

Avery Lane

avery.lane@example.com

Planning session: 14 October 2026

The email appears again on page 2.

The visitor card below is an embedded image, with no searchable text layer.

FICTIONAL VISITOR CARD

Badge ID: DEMO-4821

Image-only detail for manual redaction practice

Practice task

Cover the email and the badge ID. Inspect both pages before exporting.

This file contains invented details only.

Session logistics

The repeated contact belongs to the same fictional session.

Day-of contact

avery.lane@example.com

Room: Studio B

Arrival: 09:00

Agenda: introductions, document review, next steps.

REVIEW BOTH PAGES

Search can help locate repeats. An image-only detail still needs attention.

Inspect the downloaded PDF, including the edges of covered areas.

An editable project retains the original document.
